

ViaPath Payment Solutions

Making banking more convenient
and secure for your facility and the
populations you serve

ViaPath Payment Solutions provide a comprehensive, turnkey suite of automated services that simplify banking, making it easier for incarcerated individuals and their families while freeing staff to focus on other responsibilities.

VIAPATH PAYMENT SOLUTIONS REMOVE THE BURDEN OF FINANCIAL TRANSACTIONS. YOU CAN EXPECT:

- ▶ Increased payments and additional payment channels
- ▶ Customers to make payments where, when, and how it works for them
- ▶ Less disruption of service thanks to more contactless payment options
- ▶ Increased safety for staff and customers with reduced in-person contact
- ▶ More efficient operations, saving money and providing the ability to reallocate staff
- ▶ No more cash-handling responsibilities

ViaPath handles
payment processing
for over **2,300** facilities
and agencies, including
32 departments of
corrections.

VIAPATH PAYMENT SOLUTIONS ARE:

- ▶ **Secure** – Payments are 100% guaranteed.
- ▶ **Compliant** – All federal and state rules and regulations are met.
- ▶ **Efficient** – Payment processing is completely automated.
- ▶ **Convenient** – Process is easier for customers and staff.
- ▶ **Flexible** – Multitude of options lets customers select what works for them.
- ▶ **Complete** – A comprehensive solution that provides everything facilities and agencies need.

ViaPath provides payment services through its subsidiary, TouchPay Holdings, LLC, which is licensed or authorized to conduct money transmission in all 50 states, as well as the District of Columbia and Puerto Rico, has attained Payment Card Industry Data Security Standard (PCI-DSS) Level 1 compliance, and implements a layered security approach to proactively protect customer information. Every payment is guaranteed, protecting agencies against fraud and liability.

Every year, ViaPath Technologies:

- Conducts almost **36 million** automated payment transactions
- Processes over **\$1.2 billion** in credit card transactions
- Handles over **\$285 million** in cash

ViaPath works to transform correctional facilities into rehabilitative environments by providing technology that meets facility needs, keeps communities safe, improves the wellness of incarcerated individuals, and fuels successful reentry for returning citizens. Leading the correctional technology field, ViaPath provides communication, rehabilitation, investigative, intelligence, finance, and reentry solutions.
