

Matt Caesar

Chief Strategy Officer

Matt Caesar is the Executive Vice President and Chief Strategy Officer of ViaPath Technologies. He is responsible for leading strategic initiatives, including M&A, consumer pricing, Intelligence solutions, payment services, and government affairs. Caesar also plays a key role in establishing, as well as implementing the corporate architecture, technology, and feature set for ViaPath Technologies' products.

Caesar joined ViaPath Technologies as Executive Director, Engineering in 2010 with the Digital Solutions, Inc. acquisition. He is also the President of TouchPay Holdings, LLC, an industry leader in automated payment services for government agencies and facilities. During his time at ViaPath Technologies, he has held a variety of engineering, technology, business development, and executive positions with ever-increasing responsibility, culminating as the Executive Vice President, Customer Solutions prior to being named CSO.

Prior to joining ViaPath Technologies, Caesar spent 12 years in a variety of technology and management roles at Digital Solutions, Inc., including oversight and management of all aspects of software development process as well as supervision of all engineering, support, and implementation staff. Prior to the acquisition by ViaPath Technologies, he was responsible for running the day-to-day operations of both the product development and technical services divisions.

Caesar received his Bachelor of Science in computer science from Saint Francis University in Loretto, Pennsylvania.
